De-stress Fest

Take a breather as we head into the last stretch of the semester. There will be snacks, board/card games, coloring pages, and whatever degree of socialization you would like to engage in! We will also be holding our LSM General Assembly, where we vote to pass the budget for next semester. We need 10 people to attend to hold our general assembly, so hope to see you there!

**Date:** Wednesday, November 29th  
**Time:** 1:30 - 3:30 PM  
**Location:** Moore Hall Conference Room (575)
Aloha,

On behalf of the Linguistic Society of Mānoa and the Second Language Studies Student Association, we would like to invite you to join us in the planning and organizing process for a new interdisciplinary language symposium that will be held next spring.

We are hosting a three-day symposium that has the primary goal of bringing together all the language-related departments from the University of Hawai‘i campuses (Linguistics, SLS, Kawaihuelani Center for Hawaiian Language, EALL, LLEA, IPLL, and English) so that graduate students, undergraduate students, and faculty in these departments can learn more about language-focused research happening across campus, and spark interdisciplinary research collaborations across departments. We are reaching out to graduate students like you who would like to get involved and represent their language-related departments and/or campus RIOs, to ensure the event programming meets the needs of all participants.

The symposium will take place in April 2024 on the UH Mānoa campus. If you're interested in being part of the planning committee, simply contributing your input on the type of programming you would like to see at this event, or would just like to be kept in the loop, please fill out this form. We're looking forward to hearing from you!

Mahalo,
The Mānoa Interdepartmental Language Symposium Steering Committee
