Wrapping up the Semester

LSM General Meeting Update

Thanks to everyone who attended the Spring Fling Ling Thing on Friday the 1st of April. This event is a decades-old tradition in the department, so we were thrilled to bring it back with the loosening of post-pandemic restrictions, with over 30 people in attendance! Special thanks to Dr. O'Grady for being the faculty member in attendance. We look forward to having more faculty members at future events.

The event began with a brief LSM meeting, at which the LSM budget for the semester was passed. Attendees then chatted and snacked on the LSM-provided food for several hours, with some staying until past 10pm! We're very grateful to everyone who made this event a success and look forward to holding more Spring Flings in years to come.

We also thank SAPFB for providing funding for this event.

LAND ACKNOWLEDGEMENT

LSM acknowledges that we live and work on the lands of the Hawaiian people. We affirm our kuleana to support and promote the vitality of the Hawaiian people and their culture, land, and language.

External Reviewer Student Meeting

We encourage all grad students to attend the student meeting with the external review examiner. Dr. Colleen Fitzgerald will meet with Ling students on Wed. morning. This is a chance to share your experiences about the program and the department as well as give feedback.

Upcoming LSM Elections

Thank you to everyone who submitted LSM nominations. The nomination process is now closed and we will be notifying nominees of the positions they have been proposed for. Please reply to those emails stating whether you will accept or reject the nomination by April 13th.

LSM heavily depends on students volunteering their time to support the department either through social activities or academic advocacy. We appreciate all of the hard work from our current members and we will be particularly sad to see our graduating members of the Executive Committee leave us.

We hope to be more active in the coming year and we encourage all members of LSM, students and faculty to be more involved!

LSM Elections open April 18th. Be on the look out for the elections email!
