

2018 Campus Experience Survey

A new academic year is fully underway, and now is an excellent time to reflect on what it means to live, learn and work at Mānoa. This year, we endeavor to develop a more thorough picture of what the Mānoa experience is like for all of our community members - and to develop initiatives to help make this campus all that it can be.

We'd like to invite **students, faculty and staff** to share your valuable opinions through a short survey that will only take about **10 minutes** to complete. To show our appreciation, we invite you to enter a drawing for one of five **\$100 Starbucks gift cards** after you have shared your thoughts. Thank you for taking the time to help us make a better Mānoa!
