**UHM Student Budget**  
http://www.hawaii.edu/fas/basics/student_budget/index.php

**Student Types**  
UHM recognizes three categories of students: Exchange Students (tuition waiver), Hoakipa Visiting Students (fee-paying with discount), and Independent Visiting Students (fee-paying). For full descriptions of each category, please see the Inbound Students page of the MIX website: [http://manoa.hawaii.edu/mix/inbound/apply/](http://manoa.hawaii.edu/mix/inbound/apply/)

**Accommodation**

**On-campus Housing**  
During the Fall Semester there is a limited amount of on-campus housing available to international exchange students, and preference is given to undergraduates. Students coming to UHM for the Fall or Academic Year may apply for on-campus housing online, but are encouraged to explore off-campus housing options. During Spring Semester, on-campus housing is widely available. Students coming to UHM for the Spring are welcome to apply for on-campus housing online and have a high likelihood of being placed. For more details, visit the UHM Student Housing website: [http://manoa.hawaii.edu/housing/](http://manoa.hawaii.edu/housing/)

**Off-campus Housing**  
For information on off-campus housing options, see here: [http://manoa.hawaii.edu/mix/inbound/housing-meals/](http://manoa.hawaii.edu/mix/inbound/housing-meals/)

**Immigration Requirements**

**Visa**  
A student who is not a US citizen or permanent resident (resident alien), will need a student visa in order to attend UHM. There are two types of visas available for academic study at a US university: F-1 Student Visa and J-1 Exchange Visitor Student Visa. Typically, exchange and Hoakipa students will apply for J-1 visas whereas Independent students should apply for F-1 visas. More details can be found on the UHM ISS website:
### Health Insurance & Student Services

**Health Insurance**

UHM requires F-1 and J-1 international students to have adequate health insurance coverage throughout their programs of study. F-1 and J-1 students must either enroll in a UH-endorsed student health insurance plan or furnish proof of enrollment in a health insurance plan that provides the required minimum coverage set by the US government. **Proof of insurance should be provided no later than one month prior to the start of the program.** More details about this requirement can be found here: [https://www.hawaii.edu/issmanoa/?page_id=39](https://www.hawaii.edu/issmanoa/?page_id=39).

**Resources & Advising**

The MIX Office helps to connect students with faculties and departments prior to arrival. All general questions about exchange programs can be directed towards the MIX Office staff at inbound@hawaii.edu. Questions about immigration and visas, however, are best sent to International Student Services at issmanoa@hawaii.edu. In-person appointments with MIX and ISS advisors can be booked online via each unit’s respective webpage. Advisor information can also be found here: [http://manoa.hawaii.edu/undergrad/caa/directory/](http://manoa.hawaii.edu/undergrad/caa/directory/).

**Orientation**

Students will receive orientation initiation through email with detailed information and schedule for the August start or January start.

### Arrival

**Registration Holds**

It is quite common for incoming exchange students to have the following holds placed on their account prior to the first day of class: Health Clearance (MMR & TB); Health Insurance; Visa Clearance; and ELI Placement Test. Normally, these holds will go into effect after students have had a chance to register online prior to arrival. However, upon going into effect, until these holds are cleared students may be unable to add/drop courses. The Health Clearance holds are most strict - if students do not clear these holds before the first day of class, it is possible that they will be unenrolled from all of the courses they previously registered for, unless otherwise negotiated with University Health Services Manoa. The TB hold can only be cleared by a US-licensed physician, so most students will arrive in the US or Hawaii early in order to clear this hold before the first day of class.

**Recommended Arrival Dates**

**Students are strongly recommended to arrive no later than one week before the first day of class.** Early arrival allows students to participate in the welcome week activities hosted by MIX and ISS, attend orientation, and clear all remaining registration holds prior to the first day of class, some of which students will not be able to clear upon arrival and are likely to take a few days to clear (i.e. TB Hold). If your student(s) cannot arrive before the first day of class, please let the MIX Office know as soon as possible. Arriving after the first day of class is not advisable.
