Recommended Arrival Dates

Students are strongly recommended to arrive no later than one week before the first day of class. An early arrival allows students to participate in the welcome week activities hosted by MIX and ISS, attend orientation, and clear registration holds prior to the first day of class, some of which students will not be able to clear until arrival and can take a few days to clear (i.e. Health Clearance). If your students cannot arrive before the first day of class, please let the MIX Office know as soon as possible. Arriving after the first day of class is highly discouraged.
