All applicants whose native language is not English must submit an official score report from a test that is less than two years old at the time of application. Graduate exchange students who are citizens of the following countries may be exempt from TOEFL/IELTS: USA, United Kingdom, Canada (exception: Quebec), New Zealand, Singapore, Australia, and Ireland. The English proficiency test requirement may also be waived for students that have completed a BA or higher within the last 5 years at an institution in one of the aforementioned countries.

---

# Registration Holds

Students are strongly recommended to arrive no later than one week before the first day of class. An early arrival allows students to participate in the welcome week activities hosted by MIX and ISS, attend orientation, and clear registration holds prior to the first day of class, some of which students will not be able to clear until arrival and can take a few days to clear (i.e. Health Clearance). If your students cannot arrive before the first day of class, please let the MIX Office know as soon as possible. Arriving after the first day of class is highly discouraged.

---

# English Language Institute Placement Test (ELI Placement Test)

Note: Students scoring less than iBT 100/ ITP 600, IELTS 7.0, or Cambridge English Language Assessment Level C2 must take the ELI placement exam upon arrival and may need to take up to three courses in the ELI.

# Accommodation

- **On-campus Housing**
  - Applications for on-campus housing in Fall are due May 1. On-campus housing is not guaranteed for exchange students and students often do not receive a housing offer until a few weeks before classes start. For this reason, off-campus housing tends to be a better fit for incoming exchange and visiting students.

# Immigration Requirements

- **Health Insurance**
  - UHM requires F-1 and J-1 international students to have adequate health insurance coverage throughout their programs of study. F-1 and J-1 students must either enroll in a UH-endorsed student health insurance plan or furnish proof of enrollment in a health insurance plan that provides the required minimum coverage set by the US government. **Proof of insurance should be provided no later than one month prior to the start of the program.** More details about this requirement can be found here: [https://www.hawaii.edu/issmanoa/?page_id=39](https://www.hawaii.edu/issmanoa/?page_id=39)

- **Resources & Advising**
  - The MIX Office helps to connect students with faculties and departments prior to arrival. Students can also find Academic Advisor contact information here: [http://manoa.hawaii.edu/undergrad/caa/directory/](http://manoa.hawaii.edu/undergrad/caa/directory/)

- **Arrival**
  - Questions about immigration and visas should be sent to International Student Services at [issmanoa@hawaii.edu](mailto:issmanoa@hawaii.edu). All other questions can be sent to the MIX Office at [inbound@hawaii.edu](mailto:inbound@hawaii.edu).
