Major

I am requesting a minor in Music

I understand that:

1. This form and all documents requested by the department offering the minor must be submitted to the department office by June 1 for Fall admission and November 1 for Spring admission.

2. Courses used to satisfy my core requirements cannot be used for my minor.

The Minor in Music (15 credits) may be completed in the following manner:

The student must take a minimum of three credit hours from three of these four areas

Music Theory (280 or above)

Music History/Literature (265 or above)

Ethnomusicology (311 or above)

Performance Studies (230 or above)

The balance (6 credits) of the Minor in Music requirements may be taken in any area of music (200 or above) which the student desires and for which the student is qualified. Introductory courses (MUS 106, 107, 108, etc.) may be used to fill core requirements, but MAY NOT BE APPLIED TO THE MINOR.

Note: It is the student's responsibility to ensure that the above requirements are met. One semester before the expected date of graduation, the student must pick up a copy of the Music Minor Completion form from the Music Department Office and make an appointment to meet with the Music major advisor for final verification.
