

# GRADUATE STUDENT STATEMENT TO CLEAR DEFICIENCY VIA COURSEWORK

TO: Graduate Chair of Music

FROM: \_\_\_\_\_  
(Student's name)

I have started my \_\_\_\_\_ in \_\_\_\_\_ in \_\_\_\_\_  
(degree) (area of concentration) (semester/year)

The diagnostic examination upon entry revealed deficiencies in  
\_\_\_\_\_  
(area/s)

I understand that I may register for the following prescribed courses the next time they are offered in order to attempt removing my deficiencies:

<u>Course #</u>	<u>Semester/year offered</u>	<u>Course #</u>	<u>Semester/year offered</u>
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

I understand that I still have the option to take the General Examination two times  
in \_\_\_\_\_ and \_\_\_\_\_ to clear the deficiencies by examination.
