University of Hawai‘i
Recruiting Process for Campus Visits of Prospective Student-Athletes

RECRUITING PRACTICES DOCUMENT (RPD)

While engaged in its recruitment of student athletes, The University of Hawai‘i will conduct all of its activities in adherence with the following principles:

- The welfare of the prospective student-athlete (PSA) will be of the utmost concern, and operating policies and procedures to ensure the health and safety of the PSA while visiting the University of Hawai‘i will be set in place and strictly followed.
- All those involved in the recruiting process will follow NCAA, Western Athletic Conference, MPSF, and UH requirements.
- All recruiting activities will conform to acceptable and appropriate high moral and ethical standards of conduct, including adherence to all laws of the City & County of Honolulu and the State of Hawai‘i.
- In all of its recruiting activities, the UH is committed to promoting diversity and to supporting the athletic opportunities of women and of participants in non-revenue sports.

In compliance with these principles, the following policies for campus visits are adopted by UH:

- Prospective student-athletes and their families should be afforded the opportunity to fairly and ethically assess their opportunities for academic and athletic success and integration into the collegiate experience. There will therefore be minimal emphasis on preferences and inducements.
Responsibility for adherence to this principle will be shared by all participants.

- UH should be afforded the opportunity to fairly and reasonably evaluate a prospective student-athlete for admission and for participation in its intercollegiate athletics program.
- The recruiting process will be conducted with full regard for reasonable and acceptable forms of behavior.
- A set of internal controls sufficient to monitor compliance and ensure public confidence will be maintained.

In order to ensure compliance with UH principles and policies regarding the recruiting visits of PSAs, the official visit shall be divided into three periods as shown below, each with its stated purpose:

**Pre visit**

The purpose will be to ensure that information is shared and agreed upon, in order to lay the foundation so that the visit will conform with our policies and principles.

**During visit**

The purpose will be to ensure that the visit follows its planned itinerary and that all activities are properly supervised and supported.

**Post visit**

The purpose will be to complete documentation to monitor the official visit in order to ensure we are in compliance with our policies and principles.

In carrying out the above, our primary goal is to create a safe environment for the PSA and student host. Therefore we aim to carry out the following practices:
• There will be adequate communication and instructions for all who are involved in the official visit.

• Adequate supervision and follow-up, as necessary, will be provided during the PSA’s free time. Free time activities for the PSA and student host must be on the list of pre-approved entertainment. During this time, the PSA, the student host, and the coach will remain contactable by cell phone or telephone.

• There will be a curfew for all PSAs who are not accompanied by their parents or guardians, and it will be agreed upon by all parties prior to the visit (e.g. midnight for PSAs under 18, 2 a.m. for those 18 and over). The student host will be responsible for seeing that the PSA is in his or her room by the set curfew.

• Party activities shall be engaged in carefully, and good judgment must be exercised where alcohol and other illegal and or harmful drugs are present.

• Neither PSAs nor student hosts will be allowed to consume alcohol or drugs during the entire official visit.

• Student hosts must be current student-athletes, UHAD student employees, or students designated by the UH to conduct campus visits or tours to prospective students in general. Otherwise, hosts, tour guides, or dorm mates of the opposite gender are not allowed.

• It is very important that the academic focus of the official visit be given primary time and attention. Therefore, a detailed itinerary which emphasizes academic components and that lists all entertainment activities and free/unstructured time will be developed by the coach for each PSA. The coach is responsible for knowing the whereabouts of the PSA during
his or her free time and will be available to be contacted by phone at all times during the visit.

- Pre communication with PSAs and parents or legal guardians will be conducted prior to the visit within 2 to 3 days of the visit.
- The student host/teammate or driver of any vehicle used to transport the PSA is prohibited from driving while under the influence of alcohol or other drugs.
- Athletic representatives, including booster club members, shall adhere to all NCAA rules and to the UH’s recruiting practices involving official visits.

**RESPONSIBILITIES OF THE PSA, STUDENT-HOST AND COACH**

*PSAs* will follow these procedures:

- Follow itinerary – report deviations to the coach.
- Sign and adhere to the Prospective Student-Athlete Pledge (Attachment 1) to not engage in inappropriate behavior/conduct during the visit.
- Use the visit as an opportunity to see if the UH is the right fit for them.

*Student* hosts will follow these procedures:

- Follow itinerary – report deviations to coach.
- Sign and adhere to the Recruiting Student-Host Instructions & Receipt (Attachment 4) to care for the PSA and not engage in inappropriate behavior during the visit.
- Verify the Prospective Student-Athlete Itinerary for accuracy and list any changes to activities.
Coaches will follow these procedures:

- Ensure that the health and safety of the PSA and the student hosts are the highest priority and that the PSA has an opportunity to experience student life and know student/athlete demands and expectations.
- Prepare and submit the Official Visit Information (Attachment 2) form to the compliance coordinator.
- Prepare the PSA Itinerary for the 48-hour campus visit and submit it to the athletic administrator and the compliance coordinator with the Official Visit Information form and the PSA Campus Visitation Form-Entertainment Expense Allowance (Attachment 3).
- Prepare and submit the Official Visit Summary (Attachment 5) form to the athletic administrator and the compliance coordinator.
- Have the PSA and the hosts complete the pledge/statement prior to the visit.
- Conduct the pre-visit communication with PSA and his or her parents and go over the pledge/statement, the itinerary, and the curfew to be set (if a parent or guardian does not accompany the PSA).

RECRUITING PRACTICES/RULES

When providing for the PSA during the official visit, the UH will adhere to the following rules:

Air Transportation:

Only commercial transportation at coach-class airfare with no upgrades will be provided to PSA’s. The use of private charter planes is not permitted.

Ground Transportation:

Only an institutional vehicle or the personal vehicle of a coach, staff member, host, or teammate may be utilized to provide ground transportation on campus, to and from the airport, and while touring/entertaining the PSA. The use of taxis is also permitted.

Meals:

Pursuant to Bylaw 13.7.5 and 13.7.6.7, a prospect on an official visit shall be provided lodging and take meals as regular students normally do. Additionally, meals must be
comparable to those provided to student-athletes during the academic year. In this regard, meals provided during an official visit will be considered standard if they are similar in nature to campus meals, including training table meals. Additionally, institutions should note that the training table meal standard is considered the upper limit for all sports regardless of whether training table is typically provided in a particular sport. Further, pursuant to Bylaw 13.5.2, a member institution may not arrange or permit excessive entertainment of a prospect on the campus or elsewhere. This restriction includes special arrangements for admittance to exclusive or elite restaurants where such opportunities are not generally available to the public. (Per NCAA 2004 Hot Topic #10 – Issues Related to Campus Recruiting Visits (I)).

The following are the maximum amounts allowed per person for meals, not including tax and tip:

**Personalized Recruiting Aides:**

The use of various personalized recruiting aides is prohibited (e.g., personalized jerseys, personalized audio/video scoreboard presentations). Also prohibited is engaging in game-day simulations during a PSA’s official or unofficial visit. A PSA may be present in the locker room prior to or subsequent to a competition and may stand on the sidelines during
pre-game activities prior to being seated in the regular seating areas during the competition.
