MEMORANDUM

TO: Sarita Rai
Director, Study Abroad Program

FROM: Michael Bruno 
Interim Vice Chancellor for Academic Affairs

SUBJECT: Program Review Three-Year Progress Report

Thank you for your memo dated April 26, 2016 (received via email transmission on November 7, 2016). It is encouraging to see the good work and innovative approaches being undertaken by the Council on Study Abroad and Study Abroad Center to increase access and opportunity for students from all walks of life to benefit from a culturally and intellectually stimulating study abroad experience.

As you know, this progress report was originally scheduled to be submitted to the VCAA by November 15, 2015 (please see VC Dasenbrock's memo dated November 18, 2013), so the date of the next review is already upon us and is scheduled for the 2017-18 academic year. I look forward to seeing your continued progress in expanding programming to an increasing share of our student population in new and exciting fields and locations. Please feel free to contact Program Officer Goodwin, agoodwin@hawaii.edu if you have any questions or concerns.
