However, the graduation dates differ due to the differences in the number of outstanding non-nursing credits that are allowed to be taken within each Cohort. See Cohort requirements below.</p>

<ul style="list-style-type: none"> <li><b>Outstanding Non-Nursing Credits:</b> Some of the non-nursing general education requirements will be offered within the nursing program. However they may not all be the ones that every student needs. Some students may need to take them at one of the community colleges.</li> </ul>
