1 General Information

Each program sheet has details on how to be admitted to a particular major, as well as an estimate of the minimum total credits required for that major. The minimum total is often a reflection of the best case scenario, with as many requirements overlapping as possible. Because of this, some students will inevitably end up having to take more than the minimum total number of credits. To avoid this, make sure you meet with your advisor! For explanations of admissions, see section 6.1 on the back.

2 UHM General Education Core Requirements Completion of the General Education Core (see 2.1 and 2.2 below) is required of every UHM student. Courses listed in the Catalog and online with a General Education designation fulfill that requirement, as long as they are completed with a grade of D (not D-) or higher. These requirements can often be fulfilled by courses that are also required for your major. To plan your most efficient track to graduation, refer to the back of your program sheet, your advisor, and the UHM course catalog.

3.3 Credit Minimums The minimum credit requirement to obtain a degree from UHM is 120. Of these 120 credits, students must earn a minimum of 30 credit hours in residence (i.e., taking credit courses or equivalent by exam at UHM).
3.4 Grade Point Average All students must have at least a C average (not C-), or a minimum cumulative GPA of 2.0, in order to obtain a degree from UHM.

4 Degree Requirements Some degrees (e.g., Bachelor of Science, Bachelor of Arts) have general requirements that must be fulfilled. These requirements are outlined in this section.
5 College Requirements Each College (e.g., College of Education, School of Social Work) has unique requirements. Some colleges have general requirements relating to admissions, courses and grade point averages that must be fulfilled in order to graduate. These requirements are outlined in this section. 6.2 Requirements

The courses listed here are designated requirements for your major. Some of them can also be used to fulfill your General Education requirements and are marked with an abbreviation (e.g., DY, DP, FS). Not all courses are offered every semester, so be sure you meet regularly with your advisor to plan the most efficient track to graduation!
