

Chancellor Virginia S. Hinshaw Biomedical Research Scholarship

Scholarship Available for Tropical Medicine Graduate Students

A scholarship has been established by Chancellor Virginia S. Hinshaw to assist students with a focus in the field of biomedical science in the Department of Tropical Medicine, Medical Microbiology & Pharmacology at the University of Hawai'i at Manoa John A. Burns School of Medicine.

Recipients must be full-time, graduate students with a focus on biomedical research in the department. Other required qualifications are a cumulative GPA of 3.0 or above, and demonstrated leadership skills and academic excellence.

One-2 scholarships in the amount of \$1000-1500 will be awarded.

Recipients are eligible for scholarship renewal for a maximum of two years provided they reapply and continue to meet eligibility criteria.

This scholarship is intended to assist graduate students in the field of biomedical research in the Department of Tropical Medicine, Medical Microbiology & Pharmacology

Application Deadline: May 20, 2021

Award Date: May 30, 2021
