Discuss and list primary activities the student will engage in as part of his/her service-learning activities:

Student Participant

I, _____ agree to perform the services and fulfill the requirements set forth by faculty and site supervisor(s). In addition, I will stay current on and abide by all directives regarding the health and safety of others and myself set forth by the partner site, the University of Hawai'i, and local, state, and federal governments.

Participants Signature _____ Date _____

Partner Site

As the site supervisor, I have discussed duties, requirements, and rights with the participant. I am satisfied that the participant understands their commitment. Furthermore, I agree to put in place safety measures and training for the participant to safely carry out their responsibilities. In addition, I will stay current on and abide by all directives regarding the health and safety of others and myself set forth by the partner site, the University of Hawai'i, and local, state, and federal governments.

Partner Site Supervisor: _____

Site Supervisor's Signature _____ Date _____
