

ScholarSpace Deposit Agreement Non-Exclusive Distribution and Preservation License

As primary author(s) of your thesis / dissertation, you are the copyright owner of your work. In order for the University of Hawaii at Manoa (the “University”) to distribute and preserve your work via the University’s open access repository, ScholarSpace (the “Repository”), the University requires certain permissions and warrants from you, the author(s) and / or copyright owner. If you are the copyright owner, by accepting this license, you still retain copyright to your work and do not give up the right to submit the work to publishers or other repositories. If you are not the copyright owner, you represent that the copyright owner has given you permission to deposit the work.

By accepting this license, you grant to the University the non-exclusive right to reproduce, preserve, and distribute the submission, including the descriptive information (metadata) and abstract, in any format or medium worldwide and royalty-free, including, but not limited to, publication over the Internet via the Repository, except as provided for by an addendum to this agreement.

When provided, the University will clearly identify your name(s) as the author(s) or copyright owner(s) of the submission as well as the name(s) of the copyright owner(s) if different from your name(s), and will not make any alteration, other than as allowed by this license, to your submission.

You agree that the University may translate the submission to any medium or format for the purposes of security, back-up, and preservation. You agree that the University may make multiple copies of the submission for the purposes of security, back-up, and preservation.

In order to make this submission, you represent that:

- 1. You have the right to deposit the Work in the Repository and to grant UHM the rights granted above.**
- 2. If the Work was prepared jointly with other authors, I am signing this Agreement on their behalf as well as my own, and am authorized to do so.**
- 3. This submission does not, to the best of your knowledge, infringe on anyone’s copyright or other intellectual property rights. Distribution of the Work from the Repository will not infringe or violate any such rights.**
- 4. If the submission does contain material for which you do not hold copyright and that exceeds fair use, you have obtained the unrestricted permission of the copyright owner to grant the University the rights required by this license and that such third-party owned material is clearly identified and acknowledged within the text or content of the submission.**
- 5. If the Work is based upon work that has been sponsored or supported by an agency or organization other than UHM, any right of review or other such obligations of the sponsorship or support agreement have been fulfilled.**
- 6. The submission does not contain any confidential information, proprietary information of others or export controlled information.**
- 7. The information you provide about the submission is accurate.**
- 8. If an embargo date has been specified, where allowed in the deposit process, I understand that UHM will delay making the Work publicly available from the Repository until that date.**

You understand that if copyright terms for, or ownership of, the submission change, it is your responsibility to notify the University of these changes.

By accepting this license, you acknowledge that you have read and agreed to the terms of this agreement and all related Repository and University policies.
