To: Michael Bruno, Provost  
From: Robert McLaren, Interim Director  
Subject: Response to Recommendations from UHM Budget Team  
Date: September 10, 2020

At the Institute for Astronomy, faculty and staff have begun to analyze and discuss the recommendations in order to gain a better understanding of the underlying goals and the ways that those goals might be achieved in practice. Consultation with our colleagues in the department of Physics and Astronomy will be an important component of these deliberations.
